TFP-48-18M-D-4-HC

 Prep Table, 18x 1/6 Top Pans, 4 Drawers

| Dimensions                         |                                                                                  |
|------------------------------------|----------------------------------------------------------------------------------|
| External Width (mm)                | 1223                                                                             |
| External Depth (mm)                | 801                                                                              |
| External Height (mm)               | 1181                                                                             |
| Exclusions                         | Depth does not include 51 mm for cutting board overhang. Height with lid closed. |
| Gross Volume (Litres)              | 501                                                                              |
| Top Pans Supplied (depth mm)       | 18x 1/6 GN (100)                                                                 |
| Per Drawer Capacity (max depth mm) | 1x 1/1 + 3x 1/9 GN (150)                                                         |
| Unpackaged Weight (kg)             | 207                                                                              |
| Packaged Weight (kg)               | 218                                                                              |
| Packaged Dimensions (W x D x H mm) | 1321 x 877 x 1385                                                                |
| Cutting Board (L x D mm)           | 1223 x 204                                                                       |
| Supplied with                      | Built-in recessed castors (19 mm clearance)                                      |

| Build                 |                                                             |
|-----------------------|-------------------------------------------------------------|
| Drawer Count          | 4                                                           |
| Exterior Construction | Stainless steel front, top & hood, aluminium sides and rear |
| Interior Construction | Clear coated aluminium, stainless steel base                |
| Air Intake Position   | Front                                                       |
| Ventilation Position  | Front                                                       |
| Clearance Required    | Zero back and sides                                         |
| Cord Length (Meters)  | 2.13                                                        |
| Standard w/ Locks     | Not Standard (SPEC3 option)                                 |

| Technical               |                 |
|-------------------------|-----------------|
| Temperature Range       | 0.5 : 5°C       |
| Refrigerant             | R290            |
| Voltage/Frequency/Phase | 220-240V/50Hz/1 |
| Amps                    | 1.9             |
| Watts                   | 437             |
| Defrost Type            | Auto            |
