

CHAR BROILER

The INDUC electric char broiler redefines grilling with its innovative features. Its inclined grilling grid, designed with a U-shaped drainage, ensures efficient grease removal, maintaining a clean cooking surface. The char broiler boasts two separate workspaces that operate independently, offering flexibility in grilling various items simultaneously. Each zone's temperature is easily adjustable, catering to diverse barbecue preferences. Cleaning is a breeze thanks to the rotating and rising heating tube, simplifying interior maintenance. The integrated inner cavity can be effortlessly removed for thorough cleaning or direct scrubbing. Rapid and even heat transfer is guaranteed by the cast iron grilling mesh, enhancing cooking precision. Additionally, the adaptable oil baffle customizes grease management, ensuring optimal performance.

Made from stainless steel, the char broiler is both durable and sleek. It is conveniently supplied on a closed cupboard stand, featuring adjustable height non-slip feet that guarantee a secure and stable grilling experience. INDUC brings efficiency, versatility, and ease to the art of barbecuing.

Product Features

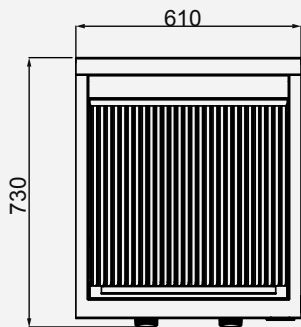

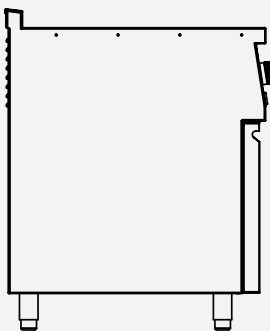

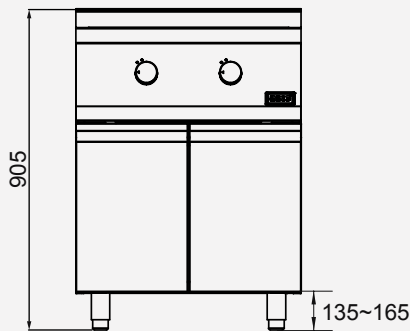

- Inclined grilling grid with a U-shaped drainage
- Two separate workspaces operate independently
- Temperature in each zone is adjustable to suit various barbecue settings
- Heating tube can rotate and rise, simplifying the cleaning of the interior of the barbecue cavity
- Integrated inner cavity, effortlessly removable for cleaning, or direct scrubbing
- Cast iron grilling mesh enables rapid and even heat transfer
- The oil baffle can be adapted to the specific area of use
- Stainless Steel Construction
- Supplied on a closed cupboard stand
- Adjustable height non-slip feet, ensuring a secure and stable position
